The

HISTORY

of Laurel

Turtle #9

at Sandy Point since 2005!

Laurel is one of our older turtles at Sandy Point. She's visited many times over the years!

Size:

155.8 cm

4 Nests

Nest Locations

Laurel nested three times on the North Beach, and was seen one more time there, but did not nest. She had one additional nest on the West Beach. The average time we found her was just before midnight! She was last seen on 31 May.

Average # Eggs

81

per nest!
