About Anna

We are happy to see Anna return to Sandy Point! We first saw Anna on 21 August as she was heading back into the water after not nesting. We encountered her on 22 August as she was laying her eggs. It was a perfect nest. We hope to see Anna return again to in a few more years!

Average # Eggs

107

Adopted and named in memory of Anna Herda by the Manns Family!

Thank you!

The St. Croix Sea Turtle Project is sponsored by The Ocean Foundation, a 501(c)(3) organization, in cooperation with the USFWS at Sandy Point National Wildlife Refuge. STXTurtles.com
