Turtle #24

of Bonnie  
at Sandy Point since 2011!

Bonnie loves nesting at Sandy Point!

Size:  
102.3 cm

1 Nest

## About Bonnie

We are happy to see Bonnie return to Sandy Point! We saw her was on the North Beach on 19 August laying her nest early in the night. On 7 September she came up to the beach but only left a track. She's a nice and clean turtle other than mating scars and a barnacle. We hope to see Bonnie return to Sandy Point again in a few more years!

Average # Eggs

107

Adopted and named by Brian Wicks and Jen Matchey in honor of Jen's mom!

Thank you!

The St. Croix Sea Turtle Project is sponsored by The Ocean Foundation, a 501(c)(3) organization, in cooperation with the USFWS at Sandy Point National Wildlife Refuge. STXTurtles.com
