

Marion

2022

TAG: KXX166
Green sea turtle

FIRST NEST

31 August

@11:11 PM

When a new turtle like Marion shows up for the first time, she will get a metal flipper tag and an internal tag (microchip). This way we can identify her easily each time she comes back to nest and we can track her nesting history over many years.

THE HISTORY OF *Marion*

TURTLE #8

New to Sandy Point in 2022!

Marion is a neophyte, a new nesting turtle at Sandy Point!

SIZE:

100.5 cm

1

Nest

About Marion

Being a neophyte, a new nesting turtle, this is the beginning of Marion's story.

She may have left Sandy Point as a hatchling 20 years ago and is now starting her adult life. We hope to see her again in a couple of years.

Our team thanks you for your support!

*Adopted and named by Peter White in memory of his paternal grandmother.
Thank you!*
