

Slo Mo

TAG: FFL814
Green sea turtle

FIRST SEEN

23 August

@10:19 PM

SIZE:

105.6 cm

Slo Mo was a new turtle this year. She was given metal flipper tags and a microchip. We will be able to identify her easily each time she comes back to nest at Sandy Point and we can track her nesting history over many years.

Slo Mo was seen five times in 2024.

Adopted by a great friend and volunteer.
