

Primrose

TAG: KKK156
Green sea turtle

FIRST SEEN

23 August

@8:30 PM

SIZE:
109.5 cm

Primrose was a new turtle in 2021. She was given metal flipper tags and a microchip. We will be able to identify her easily each time she comes back to nest at Sandy Point and we can track her nesting history over many years.

Primrose was seen twice in 2021. She should be back soon!
