

Sir Fincher

TAG: KKX165
Green sea turtle

FIRST SEEN

19 August

@8:44 PM

SIZE:

105.5 cm

Sir Fincher was a new turtle in 2021 and was seen again twice this year. She has metal flipper tags and a microchip. We are able to identify her easily each time she comes back to nest at Sandy Point and we can track her nesting history over many years.

Adopted by Deb & Pete for Scott F in 2025.
