

Terrapin Towel

TAG: FFG089
Green sea turtle

FIRST SEEN

25 August

@8:18 PM

SIZE:

109.9 cm

Terrapin Towel was a new turtle in 2023 and was seen again this year. She has metal flipper tags and a microchip. We are able to identify her easily each time she comes back to nest at Sandy Point and we can track her nesting history over many years.

Adopted by Diane M in 2025.
